ANNOUNCEMENTS.

we adopted a rule three years ago that we would require payment, or meets per into, for all communications calling upon permans to become candidates, or communications commendatory of candidates. All unnouncements of candidates are \$10 each, each in advance, when inserted for thirty days, and beyond that time are charged as regular siteristication. All interested will please take notice. In all interested will please take notice, in all interested will please take notice. In all interested will please take notice, in all interested will present interests of the general public, upon our community the Arran. will not fail of its duty, but where mere indivisual schemes or interests are to be promoted, it will be done as siverthing, and at the raise stated above.

thirds of a stand of cotton in the county, and many are just getting stands since last rains. OBSERVER. BROWSSYLLE, June 22, 1879.

BROWSSYLLER, June 22, 1871.

—Pictores, photographs and landscapes may be perfectly copied in crayon, and at the same time enlarged, by a
simple mechanical device. Every schoolchild should be trught the art. Nothing
so instructs intelligent grits as the acquisition of skill in picture-making, and
each year this skill becomes more and
more practically valuable. Pictorials
are daily multiplied. A lady was fooling with one of these instruments when
the Register became an illustrated daily.
But, seriously, skill in drawing becomes
indispensable. People read a whole story at a glance when a skillful artist tells
it with a pencil and this deftly han-

prevails in Happy Hollow, and that the committee of condemnation has not al-lowed them any just or adequate com-pensation for their property; and that they are informed and believe that the mayor's purpose is not to destroy their property, but only to require complainants to keep their property in good sanitary condition, but that the board of health wishes to destroy it. They believe and are advised that no municipal body has the right to condemn their property and destroy the same but that

novel feature will be the grand baby show given by Lou Leubrie, who is among the most enterprising of Memphis merchants. In every household where that darling, known as a baby, is heard, a deep interest has been aroused, and many are the auxious mammas preparing for this piccic which cannot fail to meet the exp-ctations of the public and reflect great credit men the atasonic lodges of Memphis. We expect to see a very large attendance. From the programme published in today's APPEAL it will be seen that the prizes for the prettiest, chubbiest and sweetest babies, are quite appropriate, and should, as doubtlees they will, incite no little competition among the cite no little competition among the mammas. We are requested to state that a wagon will be at Court square by ten o'clock this morning to convey bables and nurses to the park. The wagon is arranged with comfortable seats and will arranged with comfortable seats and will make regular trips during the afternoon. Brother Lou Leubrie will open the habyshow at five o'clock this afternoon, and at six o'clock the Cyrone commandery, Knights Templar will exemplify their brill. The picuic to-day will be the magnificent of the season. Arranged to the season.

The commencement exercises of the city schools will be held at the Theater Friday night.

The first circuit court adjourns its present term to-morrow, by which time all bills of exceptions must be filed.

—Judge Samuel P. Walker, of the second chancery court of this city, has tendered his resignation to take effect.

—Night before last burglars entered N. Fontaine's residence, No. 103 Madisonstreet, and stole two thousand dollars which he calm should show the content of the morrow worth of jewelry.

—The Mississippi Valley society meets the chamber of commerce rooms at three o'clock this afternoon, Speeches will be delivered by Jefferson Davis and Mr. Griffing, agent of the society.

—Mrs. Bethel's residence on Court street was entered night before last by burglars, who stole a valuable lot of jewelry.

Before leaving Helena, and shortly after his release, Mr. Kaulman had the two Myesres re-arrested, and this time by the United States marshal, whom he instructed to proceed next day to Helena. In order to remove the goods to a safe place Mr. Kaufman concluded to refere the united States have the goods attached unster the United States have the goods attached unster the United States have. The comming lawyers, however, caused the case. To commence, decide how much your markets with a feeling of mortification how, many years ago, he set off a miserable serpent that fired the set off a miserable serpent that fired the set off a miserable serpent that fired the street, but who fortunately escaped personal injury; his hands were badly burned by putting out the flame, but that punishment was light compared with the shame he felt and his lating regret. I hope you will agree with me that in the matter of firmworks, as with things of more consequence, fiddling don't pay. Now for something better.

To commence, decide how much your many years ago, he set off a miserable serpent that fired the street, but who fortunately escaped personal injury; his hands were badly burned by putting out the flame, but that punishment was light compared with the shame he felt and his lating the builted States are once. Proposals opened that in the matter of firmworks, as with the shame he felt and his lating the builted States have the goods attached unster the United States have. The commence of firmworks, as with the shame he felt and his lating the builted States have the goods attached with the shame he felt and his lating the builted States have the goods attached with the shame he felt and his lating the builted States have the goods attached with the shame he felt and his lating the builted States have the goods attached with the shame he felt and his lating the builted States have namer the United States law. The canning lawyers, however, caused the case to be postponed until nine o'clock Wednesday, so as to prevent Mr. Kaufman appearing at Helena that day to testify against the prisoners. It cost him sixty-five dollars and twenty-five cents to dismiss the case, and then he had the goods attached by the United had the goods attached by the United States marshal. The sheriff, however, never delivered the marshal the five hundred dollars which he claims to have delivered to Myers & Brother while in

He swore out a warrant before Justice Miles, who, upon the hearing of the case, committed the parties in default of ball, and they were taken next day to Helena to be placed in Jail. About seven o'clock the following afternoon the prisoners were brought before Judge Waters, of the criminal court at Helena, on a writ of habeas corpus, and discharged from custody, despite the evidence of the prosecutor. One ground upon which they were discharged was for want of jurisdiction, as the offense had been committed in another State. No sooner had the conscience of the tender-hearted judge been eased by the exercise of his official mercy in releasing the accused, than Myere & Bro. This gentleman, waiving a preliminary

paper, white, with a smooth surface. Test it by wetting a piece, which should not make it seem rotten, and by burning another piece, which should not leave much ash.

Second—Very strong brown paper, and if convenient, some pasteboard from the paper-box makers, or bookbindery. Third—A ball of cotton-wicking, and some strong twine.

Fourth—Some giue, and a piece of strong crape or tarietan with strong meshes, to be fastened over a small hoop, to serve as a sieve. Then go to the drug store and buy the following chemicals, according to the quantity you
